Selectmen's Report

Last year was an exciting year in the history of Fremont through the celebration of our 225th Anniversary celebration. As we reflect on the activities of last year, special thanks are in order for all those individuals and organizations who have unselfishly donated their time and energy to make this a successful event.

On behalf of the Town Officials, the Board of Selectmen would like to thank the residents of Fremont for their support in the renovations of the Town Hall. All improvements have been completed as scheduled. The renovations have enabled us to operate more effectively and hope you will join us in using the new facilities during Election Day on March 13, 1990.

The Board of Selectmen would like to thank ALL DEPARTMENTS AND COMMITTEES FOR THE TIME AND EFFORT EXPENDED THAT IS SO NECESSARY FOR THE SMOOTH OPERATION OF Town Government.

Regular Selectmen meetings are held every Thursday evening at 7:00 p.m. in the Town Hall and are open to the public with participation encouraged.

Respectfully submitted,
Leonard L. Bonagura
Leon F. Holmes, Sr.
David F. Menter

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M.

Warrant for Town Meeting Fremont, N.H.

To the inhabitants of the Town of Fremont in the County of Rockingham in said State, qualified to vote in Town Affairs:

FIRST SESSION FOR VOTING MARCH 13, 1990

Fremont Town Hall

Main Street

Fremont, New Hampshire Time: 10:00 a.m. to 7:00 p.m.

ARTICLE 1:

To choose by ballot all necessary Town Officers for the ensuing year.

ARTICLE 2:

To see if the Town will vote by ballot to adopt the provisions of RSA 72:28V and VI for an optional Veterans' exemption and an expanded qualifying war services for Veterans seeking the exemption.

(The optional Veteran's exemption is \$100.00 rather than \$50.00).

ARTICLE 3:

To see what action the Town will take by ballot on the following questions:

1. Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows: (This Amendment would retain and reorganize and update most existing regulations. It would also make certain changes: standards for signs; requiring minimum lot line distances to be continuous; deleting off-street parking standards; adding definitions of certain terms; provisions for non-conforming uses; enforcement and administration procedures; adding and deleting certain construction standards; deletion of excavation regulations covered by other law; and deletion of growth control ruled invalid by the courts. This Amendment would be effective whether or not Amendments 2 and/or 3 are adopted).

2. Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows: (This Amendment would retain most provisions of Amendment 1 and would also create new Commercial (C) and Light Industrial (I) Districts with certain permitted uses and performance standards in areas shown on the Future Land Use Map and Existing Land Use Map in the 1987 Master Plan and other specified Tax Map Lots; retain existing Residential Mobile Home (M) District; zone all other land Residential (R) with certain permitted uses

including standards for home occupations; and districts. This Amendment would be effective only upon adoption of Amendment 1).

3. Are you in favor of the adoption of Amendment No. 3 as proposed by petition of voters for the Town Zoning Ordinance as follows: (This Amendment would create an Efficiency Apartment (EAD) District permitting one-bedroom multi-family use subject to certain standards in an area southerly of Route 102 and easterly of Sandown Road. This Amendment would be effective whether or not Amendments 1 and/or 2 are adopted.)

(This Amendment is approved by the Planning Board.)

Report of the Road Agent

This past year has been another successful year. A 1200' section of Shirkin Road has been rebuilt - including replacing the base of the road, doing shoulder work, ditching, and a 2" binder of hottop. The first 350' of Shirkin Road from Beede Hill Road was not rebuilt because the state has planned to rebuild that when they relocate the access from Route 101 to Shirkin Road. Also, there are many new roads in subdivisions that have been finished.

This year, I am planning on doing some work on the worse roads to improve their condition.

I would like to thank all who have supported me and to all the men who work with me.

Respectfully submitted,
Guerwood Holmes, *Road Agent*

Report of the Fremont Budget Committee

Each year the Budget Committee prepares town and school budgets. Included are budget requests that have been reviewed by the Selectmen's office and then recommended by the Budget Committee. Also included are items that the Budget Committee did not recommend, but which you, the residents of Fremont are entitled to vote upon.

In the budgeting process, the previous year's level of expenditures is often assumed to have been appropriate. There is a bias toward continuing the same activities year after year - well after their relevance and usefulness may have been lost. In an effort to pinpoint unnecessary budget items, the Budget Committee will implement, for 1990, a standard budget preparation form. This will enable each department head to record and analyze the prior year's appropriations and expenditures while (s)he is preparing the proposed budget for the next year. The Budget Committee encourages a well-planned and logically supported budget request.

The Budget Committee strongly recommends that the Selectmen establish an improved accounting system. The present systems' shortcoming make rational analysis by the Budget Committee and the Selectmen very difficult and affect the quality of their oversight and decisions. More importantly, unless a department head keeps his own records of expenditures against budget, he does not have the current information he needs to manage his department efficiently. We suggest that the Selectmen take advantage of the free expertise available in town to investigate equipment and software suitable for producing periodic reports and budgets. This, coupled with a voucher system whereby an expenditure is reviewed and approved **prior** to purchase could limit any excess spending.

Police Department Report

The year 1989 has been a busy and productive year for the Fremont Police Department. We have increased our manpower to eight part-time officers, while having responded to more than 1000 calls since mid-March 1989. (See detail below.)

All officers are trained in the use of firearms and law enforcement skills in compliance with the training regulations established by the New Hampshire Police Standards and Training Council.

Through the efforts of the men of your Police Department volunteering their labor, the Fremont Police Station has had extensive renovations in order to provide easier access and more professional service for the public.

Patrol has been increased in the residential areas, but remember, we need your help. We need you to call us at the Rockingham County Sheriff's Department Dispatch Center at 679-2225 to report any problem or inquiry. There is someone on call 24 hours a day.

I want to thank the residents of Fremont for your cooperation and support during 1989 as your Chief of Police.

Respectfully submitted,
Neal R. Janvrin, *Chief of Police*

Fire Department Report

1989 saw the arrival of our new tanker which has been a great asset to the Department even though we had a few problems and had to send it back to the factory. These problems were corrected and the tanker is in good shape.

The department responded to three serious structure fires this past year. The first was the Freeman residence on Old Ridge Road. Unfortunately this was not reported until the house was pretty well destroyed. The second was the resident of O'Neil on Beede Hill Road. This fire was reported when it became visible through the trees. The third fire was Action Auto Body that started from a car fire inside the garage.

The two house fires are not visible from main roads, so we suggest the possibility of people installing fire alarm systems. This would cut down on time delay in the department being notified. Incidentally, the new tanker performed well at the last two fires.

Members of the department spent many hours this summer to clean up the Old Hand Tub (1848), the Town Hearse, painting up trailers and decorating the station to participate in the 225th celebration. The department also stayed with the bonfire until early morning allowing it to burn out. We wish to say at this time that a good time was had by all.

I must again remind everybody that a PERMIT is needed for any outside burning when the ground IS NOT snow covered. However, we still would like to be advised when you intend to burn to save any confusion. This can be done by calling the Fire Chief at 895-2561 during working hours Monday through Friday 7:00 a.m. to 4:00 p.m. On the week-ends call our dispatch in Raymond 895-4222 and the duty officer will call you back or visit your location with the permit.

The problem over oil burners being installed without permits has been solved through the efforts of Lt. Arthur Nadeau. He can be reached at 895-2465 between 7:30 a.m. and 8:30 a.m. or after 7:00 p.m.

I would again like to thank all the members of the Department who give so freely of their time to make the Department the excellent organization that it is.

Respectfully,
 R. C. Heselton, *Fire Chief*

Parks and Recreation Report

Throughout this past year the Commission has strived to sponsor varied recreation for all Fremont residents.

During the month of January and February three ski trips to Gunstock took place with 12 - 15 skiers each trip.

During the summer a three week youth recreation program was offered for the children in grades one through eight. It was a well received program whose daily activities included trips to State Parks such as, the Flume, Wallis Sands and Pawtuckaway. While at Pawtuckaway hiking trips were enjoyed by all. On alternate days various types of Arts and Crafts were performed.

A Basketball Clinic was held for boys and girls, grades 8 - 12 for ten weeks.

A youth fitness program for boys and girls grades 5 - 8 for six weeks.

Adult, coed, volleyball and basketball were also conducted. All of those are also being run this year.

The annual Easter Event was held again this year with a pancake breakfast from 9 a.m. - 10 a.m., egg hunt, games, door prizes and a visit from the Easter Bunny. Over 50 children were in attendance.

Many hours and mountains of paper work was undertaken by the Commission members in particular, Mrs. Mary Spears, in preparation for the "Matching Grant Funds" for facility improvements. Our proposal for two Tennis Courts and a Basketball Court has ranked 8th out of 19 proposals submitted. However, due to the financial situation of the town the Commission has elected to table this request to the tax payers until next year.

The Commission takes this opportunity to thank the residents of Fremont for their involvement and support during this past year. We look forward to serving the town by continuing the programs that have been started and by generating new ones.

Commission meetings are held on the second Monday of the month at 7:30 p.m. in the Town Hall. These meetings are open to the public and we welcome anyone to attend. Together we will be able to provide quality recreation for Fremont.

Library Report

1989 saw a continued increase in circulation of books, partially due to the Saturday hours. Barbara Bassett reports that there is a growing Saturday clientele of all ages. Young people are taking advantage of the extended hours and the increased reference capabilities of the library. They are also using the Sharp copy machine purchased with donated funds in compiling their research. The general public may also use the copy machine for a very nominal fee.

There is an ongoing effort to update the library facility and its books. The trustees had hoped to furnish one of the small rooms with an adult size table and chair to be used as a reading and research room, but were informed by the librarian that this was not feasible as the room is much too cold the better part of each year for human habitation.

The trustees wish to express their deep appreciation to the family of the late Ruth Fuller for the generous monetary gift received from her estate. Sincere sympathies are extended to her family. The trustees were also saddened this year at the passing of John Gieroch who served the town of Fremont in the capacity of library trustee for five years. Sincere sympathies are extended to his family.

Fremont Volunteer Rescue Report

The Fremont Volunteer Rescue Squad is now going into its 6th year. Approximately 80 calls for assistance were responded to by the members of our squad in 1989.

Currently there are 7 active members responding to your calls. We are looking forward to gaining more members after the completion of an EMT course which started on January 31, 1990. Anyone interested in becoming a member should contact Kevin Zukas at 895-3099 or Cheryl Woodman at 895-4018. New members are needed and always welcome.

Whenever an ambulance or assistance is needed, we respond to assess, stabilize, and assist in transport. All members are either Advanced First Aid certified or Emergency Medical Technicians all holding an Ambulance Attendants License.

Our members are:

Kevin Zukas, *President*
Cheryl Woodman, *Vice President*
Mariane Vanevic, *Training Officer*
Steve Toohey

Carol Gould
Benny Benedetto
Matt McCabe

The rescue squad would like to thank the people who have supported and made donations to enable us to better serve you. Within the last year each member has been equipped with proper equipment to better serve you, our town.

Respectfully,
Kevin Zukas, *President, FVR*

Fremont 225th Anniversary Committee Report

The Committee is pleased to report that Fremont's 225th Anniversary Celebration in 1989 was a wonderful success. Thanks to the dedicated efforts of committee members and numerous townspeople, Fremonters enjoyed a year full of 225th events that pleased residents of all ages.

Without question, the committee met all of its objectives above and beyond our greatest expectations. Most importantly, townspeople gathered with old friends and neighbors, learned about Fremont's fascinating heritage, enjoyed its scenic countryside, and participated in a variety of activities. All this combined to promote a genuine spirit of friendship, pride and unity among townspeople. This was a celebration of that spirit and it reflected admirably upon the town.

Many people, organizations and businesses generously donated materials, money, time and effort toward the success of the celebration, and we thank each and every one of you. Thanks are also due to all those who opened their homes to members of the 76th Division Army Reserve Band from East Windsor, CT.

On Saturday, June 24th, over 4000 people attended the Fremont Field Day held at Len & Sue Bonagura's Farm on Sandown Road. Thousands enjoyed the spectacular Fireworks Display and Bonfire that evening. It was the largest single gathering in Fremont history. The 225th Parade, Concerts, Militia Demonstrations, Games and Amusement Rides were well patronized as were Souvenir Booklets and items.

In addition to the Field Day, hundreds of people enjoyed the Candlelight Scottish Bagpipe Concert at the Old Meetinghouse, the Fremont Multi-Media Slide Show, Pancake Breakfast, Colonial Ecumenical Church Service, House and Town Tours.

The many people who worked so hard on the impressive Town Quilt are to be commended for their talented efforts, Floyd & Pat Kelly also receive our deep appreciation for making and donating the "Welcome To Fremont" sign.

Darrell Turner, our able Parade Chairman, deserves much credit for organizing the 225th Parade. Our thanks go to him and to those that assisted him in making the Parade so enjoyable.

Rev. Susan Jarek-Glidden and members of the People's United Methodist Church are to be commended for contributing to the success of the celebration. They sponsored or participated in several events, of which the committee would have been hard pressed had we not been able to rely on their enthusiastic support. Thanks to their tireless efforts, the Pancake Breakfast, Colonial Ecumenical Church Service, Haunted House and Christmas Carolers, were thoroughly enjoyed and appreciated.

The homes of Mr. and Mrs. John Carr, Mr. and Mrs. Donald Curry, Mr. and Mrs. Michael Doolan, Mr. and Mrs. Ronald Moore and Mr. and Mrs. Edward Wall were open for the House Tour. One hundred people enjoyed touring this impressive collection of old colonial homes. Our sincere appreciation is extended to all homeowners, and to the Provider Bus Company for furnishing us with free buses for the tour.

Mrs. Gertrude Butler and Mrs. Libby Marshall dressed in colonial costumes and gave informative tours of our historic 1800 Meetinghouse. Wayne Copp and Robert Burleigh provided their expertise by video-taping many portions of the celebration for posterity. Lonnie Dickerson and Paula Wall compiled a special edition of "The Poplin Herald," which was mailed out to each Fremont homeowner. This was a large undertaking and it too was greatly appreciated. The Fremont Daisies donated and planted numerous flowers on various town owned property; the Fremont Boy Scouts and Cub Scouts performed clean-up duties, and the Fremont PTA sponsored many of the Field Day games. Our thanks go to all of these groups.

The CHRISTMAS IN COLONIAL POPLIN CELEBRATION, which took place on December 16th, was the final event of our celebration year. Though it was a cold, bluseterly evening, over 300 hardy people attended and enjoyed performances by Scottish Bagpipers, Ladies Quartet, Bellringers, Juggler, Storyteller, Fife & Drummers and Carolers. The Candle and Lantern Parade had nearly 200 participants. Free refreshments and hayrides were also provided. 225th Committee Members had

previously decorated the Village with wreaths, garlands and white lights as did many people all over town. The town probably never looked so festive as it did during this 1989 Christmas Season. Spaulding & Frost Co. kindly opened their gift shop for warmth and free refreshments. The Committee is indebted to the Coopperage for providing much assistance throughout the year.

Special thanks are due the following groups and individuals who played instrumental roles in helping make the celebration run smoothly:

Police Chief Neal Janvrin, Fremont Police Dept., Fremont Fire Dept., Fremont Rescue Squad, Guerwood Holmes, Peter and Diane Bolduc, Glenn Eberhardt, Brodie Bolduc, Leon and Pearl Holmes, Jesse and Meredith Bolduc, Jack Baker, Len and Sue Bonagura, Robert Rydeen, David Menter, Peter Monty, John McGondel, Maryanne Brouillette, Joch Brouillette, Phillip Estabrook, Peggy Turner and Ben Kelly.

Additional thanks are also due these fine people: Jim Allen, Don and Lou Bacon, Robert and Mary Kate Bartley, George and Barbara Baker, Barbara Bassett, Bill Boden, Sheryl Bolduc, Michael and Millie Butler, Dorothy Carder, Butch and Patty Chase, Gordon Copp, Kimberly Copp, William and Kathy Copp, Anastes Christopher, Don Dickerson, Dan Dinwiddie, Jake and Jan Donigian, Joe and Elaina Dreyer, Winston Edwards, Jr., Jason Flibotte, Dan Francis, Jr., Dan Francis, Sr., Don Gates, Jr., Dot Gaudet, Florence Hall, Robert Horsburgh, Bill and Maria Knee, Robert Maslowski, Bill McCain, Tom and Elaine McGall, Doug and Mary Murphy, Arthur and Elaine Nadeau, Jim O'Connell, Andrea Ovens, Lee Patterson, Vanesa Pecola, Albert and Judy Peterson, Phillip and Ginny Peterson, Jean Ragonese, Don and Phyllis Ryan, Tim Small, Donna Smith, Jim Smith, Elizabeth Stanley, Stephanie's Restaurant, Susanne Theori, Geraldine Tilley, Steve Tomasz, Steve and Michelle Toohey, Dale and Patty Turner, Henry and Phyllis Turner, Mark Turner, Penny Turner, Ed Wall, Dorma West, Mark Wellman, Jeremy Wright, Zachary Wright, Sandra Roy, Gusti Buhrman, Patty Gaulin, and to all those who were there when needed. I hope no one has been left out.

A sincere debt of gratitude are due the members of the 225th Committee. Without their support and commitment the 225th Anniversary Celebration would not have taken place. To these people go a great deal of thanks and appreciation.

MARILYN BAKER, ROSE BODEN, JAN COLLINS, LONNIE DICKERSON, THOMAS FITZPATRICK, MARION GANLEY, MARILYN GATES, RAY AND CONNIE GREGOIRE, TONY AND SUSAN JAREK-GLIDDEN, FRED AND SUE HERR, RICHARD AND DEBRA MINNON, WILLIAM AND TERRI MURPHY, MIKE AND ELLEN O'KEEFE, DEBRA PICKARD, CINDY PROVENCHER, SHARON THOMAS, MAUREEN TOMASZ, PAULA WALL AND BRUCE AND CATHIE WRIGHT.

We hope Fremont's 250th Celebration in 2014 is as enjoyable as the 225th has been for all of us in 1989.

Respectfully submitted,
Matthe E. Thomas,
225th Committee Chairman

Rockingham County Community Action Program, Inc. Report

Rockingham County Community Action Program, Inc. (RCCAP) is a private, non-profit corporation, officially designated as the anti-poverty agency which serves the low-income population of Rockingham County. Our mission is to serve the multitude of needs of the county's low-income residents by assisting them in coping with the hardships of poverty, giving them the tools to life themselves out of poverty and seeking to eradicate the root causes of poverty. RCCAP has been effectively serving these needs for more than twenty-four years.

The Greater Raymond Community Action Center is the outreach center serving residents of Fremont and 14 other communities, and as such acts as Fremont's central resource for information regarding all available human services. In addition, RCCAP offers service sites in 18 other Rockingham County communities for the application and provision of various Community Action services.

Of the major direct service programs offered by Community Action, the following were provided to eligible residents of Fremont from July 1, 1988 through June 30, 1989:

47 households received Fuel Assistance, a program which provides a financial grant of up to \$500.00 to assist with energy-related expenses.

Two homes were weatherized through the Weatherization Program, which provides high quality materials and trained labor to weatherize homes in order to reduce heating costs and conserve energy.

Three households received the Home Repair Program, which provides for the repair or replacement of furnaces and heating units and home repairs for low-income homeowners.

Nineteen children were provided meals from private family day care homes which participate in the Rockingham Family Day Care Program.

One child care referral was arranged through the Child Care Resource and Referral Program, which compiles current data on all available child care options, provides child care referrals to employees of participating companies as well as to the general public, and expands the supply of quality day care by recruiting, training and assisting new day care providers.

Three children were enrolled in Head Start, a comprehensive, early childhood development program for low-income and handicapped children and their families.

Twenty four women, infants and children received help through the WIC Program, which offers supplemental nutritious food and nutrition counseling to pregnant women, nursing mothers and children up to the age of 5 who are nutritionally at risk.

Four households received Crisis Assistance, a program which provided a one-time financial grant for the payment of rent, mortgage, electricity or fuel for those in emergency situations.

Fifty three food packets were provided through the Surplus Food Program, which distributes USDA surplus food to eligible households

through periodic mass distributions.

Five households received emergency food packets through the Emergency Food Pantry, a program which provides a temporary supply of non-perishable food to families in crisis.

Two households who were homeless or at risk of being homeless received a security deposit loan through the Security Deposit Loan Fund.

Four children/postpartum women received help through the Commodity Supplemental Foods Program, which provides commodity foods to eligible children up to age six and postpartum women until their infants reach one year of age.

In addition to these major programs, much of our staff time is devoted to working with people who come to us seeking help. During the past year, we logged 214 calls or visits from Fremont residents, many of which were crisis calls involving fuel or utility problems, the lack of food or clothing or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

Since the services we offer greatly relieve the towns we serve from the full burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 4.5% of the total dollar value of services provided during the previous fiscal year, which means that we request \$4.50 for every \$100.00 we provide in direct services.

From July 1, 1988 through June 30, 1989, Community Action provided 60,562.00 in services to Fremont residents. We are therefore requesting the town of Fremont to contribute 4.5% of this amount, or \$2,725.00. The town of Fremont has contributed to our agency for many years, and we extend our appreciation to you for your continued support.
